

Important fee information for UQ Healthy Living clients

UQ Healthy Living has provided clients with a consistent and competitive fee structure for over two years. We are seeing the increasing costs of doing business across various sectors, which are inevitably being reflected in the cost of services.

While UQ Healthy Living has absorbed some increases to our overheads, the costs associated with contractors, staffing, and utilities have impacted us significantly. To ensure that we continue to deliver a viable service in the future, we will be implementing a moderate price increase as of April 29th, 2024.

Following careful consideration, we have revised fees as follows:

Individual Consultations (*Exercise Physiology, Physiotherapy*)

30 minutes	\$45 (<i>previously \$40</i>)
45 minutes	\$60 (<i>previously \$55</i>)
60 minutes	\$75 (<i>previously \$70</i>)
Intake assessments (90 mins)	\$110 (<i>previously \$100</i>)

Medicare Team Care Arrangement (TCA) referrals

60 minutes	\$20 gap fee (<i>previously \$10</i>)
------------	---

Please note, we will continue to offer 60-minute appointments which is considerably more than the Medicare Benefits Schedule recommendation of 20 mins.

Standard Exercise (*Healthy Living, Circuit Connections*)

Casual	\$23 (<i>previously \$20</i>)
Direct Debit	\$17 per class (<i>previously \$15.50</i>)
10 visit pass	\$200 = \$20 per class (<i>previously \$180 = \$18 per class</i>)

Supported Exercise (*Supported Exercise Sessions, Cardiopulmonary Maintenance*)

Casual	\$25 (<i>previously \$23</i>)
10 visit pass	\$220 = \$22 per class (<i>previously \$200 = \$20 per class</i>)

Intensive Specialty Programs (*Cardiac Pulmonary, Strength and Balance*)

Casual	\$27 (<i>previously \$25</i>)
10 visit pass	\$250 = \$25 per class (<i>previously \$230 = \$23 per class</i>)

Independent Exercise (*Members Studio*)

Weekly	\$29 (<i>previously \$27</i>)
--------	---------------------------------

Our priority continues to be delivering accessible and quality allied health services to support you in achieving a healthier future.

We understand these changes may impact some clients more than others. Should you have any questions, we encourage you to reach out to our Clinic Manager Brad McGregor on: **P** 3443 2586 or uqhealthyliving@uqhealthcare.org.au
